Surveyed for Henry Flock March 30. 1859.

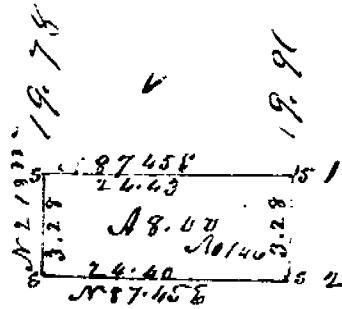

VOL 1
PG. 162

A hand-drawn survey map of a triangular plot. The vertices are marked with 'S'. The left boundary is a vertical line with a handwritten measurement of 22.31. The bottom boundary is a horizontal line with a handwritten measurement of 13.85. The right boundary is a diagonal line with a handwritten measurement of 25.00. Inside the triangle, there is a rectangular area defined by a vertical line (left) and a horizontal line (top). The left vertical line has a handwritten measurement of 12.04. The top horizontal line has a handwritten measurement of 5.50. The top-right corner of this rectangle is marked with 'S'. Handwritten labels include 'A 11.73' near the top-left vertex, 'A 11.73' near the bottom-right vertex, 'M 144' near the top-left vertex, 'M 145' near the bottom-right vertex, 'Holding' written vertically along the left boundary, and 'Brewer' written vertically along the left vertical line of the inner rectangle. A dashed line runs parallel to the right boundary. A small 'S' is also marked at the bottom-left corner.
