

A hand-drawn survey map of a rectangular tract. The map is oriented with a north arrow at the top. The tract is divided into several sections by lines. Key features include:

- Top Boundary:** A line with a circled '34' at the top center.
- Left Boundary:** A line with a circled '3' at the bottom center.
- Right Boundary:** A line with a circled '318' at the bottom right.
- Internal Features:**
 - A horizontal line across the middle of the tract.
 - A vertical line on the left side, intersecting the horizontal line.
 - A small rectangular area in the upper right quadrant, labeled 'STONE'.
 - A small rectangular area in the lower left quadrant, labeled 'STONE'.
 - A small rectangular area in the lower right quadrant, labeled 'STONE'.
 - A small rectangular area in the lower center, labeled 'STONE'.
- Measurements:**
 - Top boundary: 34
 - Left boundary: 3
 - Right boundary: 318
 - Horizontal line: 12 1/2
 - Vertical line: 200
 - Small rectangular area (upper right): 12 1/2, 200, 17 1/2, 200
 - Small rectangular area (lower left): 12 1/2, 200, 17 1/2, 200
 - Small rectangular area (lower right): 12 1/2, 200, 17 1/2, 200
 - Small rectangular area (lower center): 12 1/2, 200, 17 1/2, 200
- Annotations:**
 - (1) Surveyed for W.H. Torney.
 - (2) " " J.D. Easter.

Served for W.H. Torrey and J.J. Gaster
on the 30 day of Nov 1903.

C. H. Beauregard
County Surveyor.
