#### PROJECT DESCRIPTION

REPLACEMENT OF AN EXISTING SINGLE SPAN BRIDGE  
WITH A PROPOSED SINGLE SPAN BRIDGE WITH 135'  
OF APPROACH WORK.

I, Kevin Canavan, P.S. have conducted a survey of the existing conditions for the Village of Carey, Ohio. The results of that survey are contained herein.

Underground utility locations are shown for informational purposes only. Though they are believed to be accurate, their location is as marked on the ground by the utility company per OUPS Confirmation Number A821802997, made August 6, 2018, and those marks subsequently being surveyed as a part of this project.

The horizontal coordinates expressed herein are based on the Ohio State Plane Coordinate System, North Zone, 3401, NAD 83 (2011 Adj.), and elevations relate to NAVD 88 (2012A Adj.). Use a scale factor of 1.0000929649 to convert grid coordinates to ground coordinates.

As a part of this project I have established the locations of the existing property lines and centerline of existing Right of Way for property takes contained herein.

As a part of this project I have established proposed property lines, calculated the Gross Take, present roadway occupied (PRO), Net take, and Net Rseidue; as well as prepared the legal descriptions necessary to acquire the parcels as shown herein.

As a part of this work I have set monuments at the proposed property corners, and other points shown herein. The iron pins set are 3/4" x 30" rebar with cap stamped "Poggemeyer Design Group Survey Marker KC7448". All of my work contained herein was conducted in accordance with Ohio Administrative Code 4733-37 commonly known as "A Minimum Standards for Boundary Surveys in the State of Ohio" unless so noted.

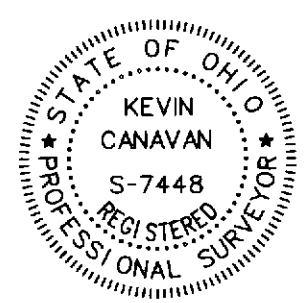

The words I and my as used herein are to mean that either myself or someone working under my direct supervision.

I, Kevin Canavan, P. S. have conducted a survey of the existing conditions for the Ohio Department of Transportation in March of 2019. The results of that survey are contained herein. The horizontal coordinates expressed herein are based on the Ohio State Plane Coordinate System, North Zone on NAD 83 (2011 adj.) datum. The Project Coordinates (US Survey feet) are relative to State Plane Grid Coordinates (meters or US Survey feet) by a Project Adjustment Factor multiplier of 1.00009296649. As a part of this project I have reestablished the locations of the existing property lines and centerline of existing Right of Way for property takes contained herein. All of my work contained herein was conducted in accordance with Ohio Administrative Code 4733-37 commonly known as "A Minimum Standards for Boundary Surveys in the State of Ohio" unless noted. The words I and my as used herein are to mean either myself or someone working under my direct supervision.

Kevin Canavan, Professional Land Surveyor No. 7448,

MAR. 27, 2019  
 Date:

A circular professional seal for Kevin Canavan, a Registered Professional Surveyor in the State of Ohio. The seal features the text "STATE OF OHIO" at the top, "KEVIN CANAVAN" in the center, "S-7448" below the name, and "REGISTERED PROFESSIONAL SURVEYOR" at the bottom. The seal is surrounded by a decorative border of small dots.

ALL RIGHT OF WAY ACQUIRED IN THE NAME OF  
THE VILLAGE OF CAREY, OHIO UNLESS OTHERWISE SHOWN.
